Representative Clients:

- Railroads
- Terminal Operators
- Mass Transit
- Sidetrack Operators
- Utilities
- Warehouse Operators

CWM's attorneys have a long history of representing clients in the transportation industry. Our clients include railroads, trucking companies, cargo owners, warehouseman, terminal operators and other transportation interests and their insurers. We handle disputed matters in state and federal courts, the Virginia State Corporation Commission, and before the Surface Transportation Board.

Because of our experience, our attorneys are able to quickly respond to client needs and problems and develop strategies to resolve them. In the railroad industry, our attorneys handle regulatory matters, boundary disputes, riparian rights, FELA claims, crossing accidents, property damage claims, eminent domain and land acquisition, ICCTA preemption, rate disputes, labor issues, and other matters.
