

Week in Review—Autonomous Roundup

Wednesday, November 27, 2019

Jim Chapman, Chair
Autonomous and Unmanned Systems Group

This Week's Highlight

Our favorite report this week is Disney testing “SUV-sized” X-Wing Drones at it's park outside of their Hollywood Studios! Rumor is these drones will be used for the upcoming [Star Wars: Rise of the Resistance](#) media preview event.

Age of Aircraft Carrier Dominance May Finally Be Ending

Unmanned submarines are the future of military watercraft operation.
