

# Week in Review—Autonomous Roundup

Wednesday, February 26, 2020

Jim Chapman, Chair  
Autonomous and Unmanned Systems Group

## This Week's Highlight

Our favorite report this week about Stan, a fully [autonomous outdoor parking valet](#) at select airports in Europe. Stan uses various autonomous technologies to move cars into storage places with centimeter level accuracy!

## Jaguar Land Rover Unveils Autonomous and Electric 'Project Vector' Shuttle Concept

Jaguar Land Rover introduced a new concept that hits all the major themes for the future of automobiles: autonomous and electric in shuttle form.
