

# CONSTRUCTION LAW

**100 Years Of Marine  
Construction Law**

CWM represents owners, contractors, and equipment and material suppliers in all aspects of contracting and dispute resolution on federal, state, and private projects, including major maritime projects.

We offer construction and business law services, as well as complex litigation and outsourced general counsel services.

For 100 years, our clients have trusted us to help them strengthen their businesses, lessen their risks, and improve their receivables. Let us assist you with:

- Contract drafting and negotiation
- Business structures and joint ventures
- Arbitration and litigation
- Maritime law
- Payment and performance bonds
- Change orders and claims
- Mechanic's liens
- Liquidated damages
- Indemnity
